#### NATURE'S FORCE™ FLY SPRAY

I loved the Nature's Force so much that I bought 7 cases for my entire barn!

- Donna B., Pacific, MO

#### PRO-FORCE™ FLY MASK

Durable. Comfortable. Well Made. Couldn't be more thrilled to find an Equine Fly Mask that is made solid & reasonably priced!

- Cassandra L., Sedalia, MO

#### OPTI-FORCE™ FLY MASK

Love how the Opti-Force™ Mask does not obstruct the horses vision and keeps bugs out! Great for riding and in the stall or pasture!

- Amy R., Fremont, CA

## FORCE FLY SPRAYS

### POWERFUL NEW WEAPONS IN THE WAR ON PESTS.

Force Fly Sprays were developed with proven technology to provide three different options for fighting flies, mosquitoes, and a broad spectrum of other nuisance insects. Whatever you and your horse need, count on a Force spray to protect against insect problems.

#### PRO-FORCE™ SPRAY

Rapid Knockdown, Kill and Repellency for up to 14 Days

Pro-Force™ Fly Spray provides rapid knockdown and kill against biting and nuisance flies. Pro-Force keeps working to repel flies and insects for up to 14 days at an outstanding value.

- Kills and repels flies, ticks, mosquitoes (including culex/West Nile species), chiggers, no-see-ums, and more than 70 listed species for up to 14 days
- Only for use on ponies, horses, dogs, and as a premise spray
- Kills fleas and ticks on dogs
- Available in a 32-oz spray and gallon
- Ready to use
- Active ingredients: Permethrin (.20%), Pyrethrin (.10%), N-Octyl Bicycloheptene Dicarboximide (.48%)

#### OPTI-FORCE™ SPRAY

Sweat Resistant Protection

Opti-Force™ Fly Spray delivers repellency and quick knockdown from biting and nuisance flies. With sweat resistant protection, flies and insects are repelled for 14 days.

- For use on horses and ponies
- Sweat resistant Fly Spray
- Provides repellency and quick knockdown from biting and nuisance flies, gnats, and mosquitoes (Culex species) that may transmit West Nile virus
- 14 Day weather resistant protection
- Active ingredients: Cypermethrin, CAS #52315-07-8 (1%) ; Other ingredients (99%)

#### NATURE'S FORCE™ SPRAY

Natural, Organic 24-hour Control

Nature's Force™ is an organic spray strong enough to provide up to 24 hours of protection for your horse, yet safe to use around children and pets. Nature's Force features a combination of all-natural botanical oils to knock down and kill 12 common species of flies, mosquitoes, gnats, ticks, fleas, and lice.

- Natural 24-hour control
- Organic knockdown and kill of stable flies, horse flies, deer flies, face flies, house flies, horn flies, mosquitos, gnats, bot flies, ticks, fleas, and lice
- For use on horses, ponies, and dogs
- Safe around children and pets
- Active ingredients: Clove Oil (1.7%), Thyme Oil (1.7%), Cinnamon Oil (1.5%), Lemongrass Oil (1.5%), Peppermint Oil (1.0%), Other ingredients\* (92.6%)

\*Isopropyl myristate, 2-Propanol, Vanillin

## FORCE FLY MASKS

### THE EFFECTIVE WAY TO FACE PEST PROBLEMS HEAD-ON.

Opti-Force™ and Pro-Force™ Equine Fly Masks do more to protect your horse's face and eyes effectively and comfortably with high-tech design innovations that make them better than ordinary masks.

#### INSECT SHIELD® REPELLENT FLY MASK FROM OPTI-FORCE™

Built-in Insect Repellent

The Insect Shield® Repellent Fly Mask from Opti-Force™ has long-lasting insect repellent built right in to its high-tech fabric. The odorless repellent is bound to the mask's fibers, so it stays in place throughout the expected life of the mask — even up to 25 washings. The same EPA-approved Insect Shield® technology is used with human outdoor apparel, so you know it's proven.

Insect Shield Advantages:

- Built-in, invisible, odorless insect protection
- Proven to repel biting flies, mosquitoes, ticks, and fleas

Opti-Force Mask Provides:

- Durable Clear View Vision™ mesh is built to last and won't irritate the face and eyes
- Two adjustable safety fasteners to keep the mask secure and in place
- Snug fit to keep out dust, dirt, and debris
- Shields your horse from harmful UV rays
- Fits horses from 900 to 1,200 pounds
- Also available in Extra Large size

#### PRO-FORCE™ FLY MASK

Comfort, Convenience, and Value

Pro-Force™ fly masks fill a specific need that horse owners have had for years: a durable, comfortable fly mask at an everyday affordable price. The Pro-Force Fly Mask utilizes unique design and materials to make it the best all-round mask a horse can wear — and your most economical choice.

- With Equi-Glo™ Reflective Tape, now it's easier to see your horse after dark
- Unique and convenient quick-catch loop lets you attach a lead line and avoid a halter
- Adjustable, double-locking fastener ensures a safe and comfortable fit
- Built to be extremely durable, washable, and easy to use
- Fleece trim enhances comfort and adds protection against crawling insects, dust and debris
- Fits horses from 900 to 1,200 pounds
- Also available with ears

## FORCE PREMISE-PROTECTION PRODUCTS

### FOR MORE CONTROL, HIT PESTS WHERE THEY LIVE.

An essential aspect of any successful fly control program is effectively treating areas around stables, barns, paddocks, and other places where your horses spend time. Thanks to the proven technology of Force fly products, you have two outstanding options to choose from.

#### PRO-FORCE™ FLY BAIT

Keep Flies at a Distance

Pro-Force™ Fly Bait improves your overall pest control program by luring nuisance flies away from your horses. Pro-Force Fly Bait is specially formulated with a powerful, highly effective insect attractant that's proven to work in the toughest conditions. It even controls house flies that are resistant to the active ingredients in many other fly baits.

- Fast acting, ready-to-use house fly bait
- Specially formulated mixture of attractants in an extruded pelleted form
- Contains Bitrex® bittering agent to help prevent ingestion by animals, children, and pets
- For the control of house flies in and around areas such as livestock facilities and stables
- Active ingredients: Imidacloprid (.50%), Z-9 Tricosene (.10%)

#### PRO-FORCE™ BARN AND STABLE CONCENTRATE

Controls and Kills Nuisance Insects

Pro-Force™ Barn and Stable Concentrate allows you to affordably treat your horses' environments, inside and outside, to reduce populations of annoying insects around the premises.

- Controls as listed: \*mosquitoes, flies, gnats, wasps, fleas, ticks, cockroaches, spiders, and other nuisance insects
- Kills mosquitos that may transmit West Nile virus
- Premise use areas: horse barns, stables, and paddocks
- Concentrated: 6.4 oz. per gallon of water
- Active ingredients: Permethrin (10%), Piperonyl butoxide (10%)

\* (including the Culex species that may carry and transmit the West Nile virus)
